HIGHLIGHTS INCLUDE:

Tanjung A'an Beach
Kuta Beach and shopping
Ashtari's Restaurant

Do some beach hopping with a drive to Tanjung Aan Bay where you can surf on the right-hander wave, or just take a dip in the cool, blue waves. Take some time in Kuta to drive along the sea-front before browsing through the curio shops for souvenirs or any surf related purchases. If you have been to Kuta before, it has certainly changed in recent times with more shops, cafe's and warungs. To rest after shopping, stop off at Ashtari's restaurant to sample either local or international cuisine whilst perusing the view over Kuta. Chill out on the bean bags on the balcony or sit at the giant corner couches to eat and relax before finally returning to Sempiak Villas.
